## \*PLUG CONVERTER

A top tip when you are travelling is to take a multi plug lead (gang 4) so that you only need one adapter for all your devices and don't have to worry about not having enough plugs in your room.

## # CLOTHES

Make sure you check what clothes you need for work and bring suitable clothes for the weather forecast. Make sure you have 'sensible footwear' as you are likely to be walking more than you do at home. Don't forget a waterproof!

## \*CASH CARD

Consider getting an International Cash Card that you can preload with money to avoid having to carry cash and worry about exchange rates and extra charges.
