EXAMPLE TRIP - MUNICH

Capital of Bavaria and one of Germany's most dynamic cities, Munich is home to historic palaces, legendary sports venues and global high-tech industry. During your visit you will experience a city that has played a key role in European history, encounter great works of art, and see cutting-edge manufacturing at work.

And visit Legoland.

Travel: flights from UK to Munich

Accommodation: hotel (full board)

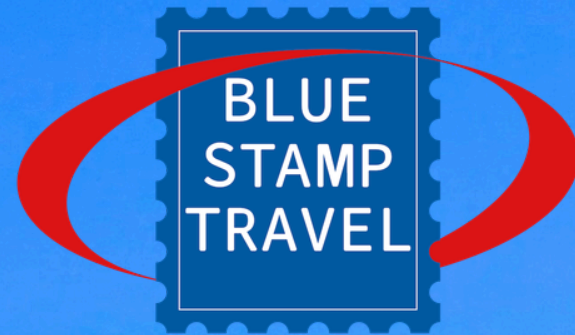

* Itinerary is subject to change and activities may change depending on availability, weather and other factors. This draft itinerary is provided for illustrative purposes only.

ACCOMMODATION

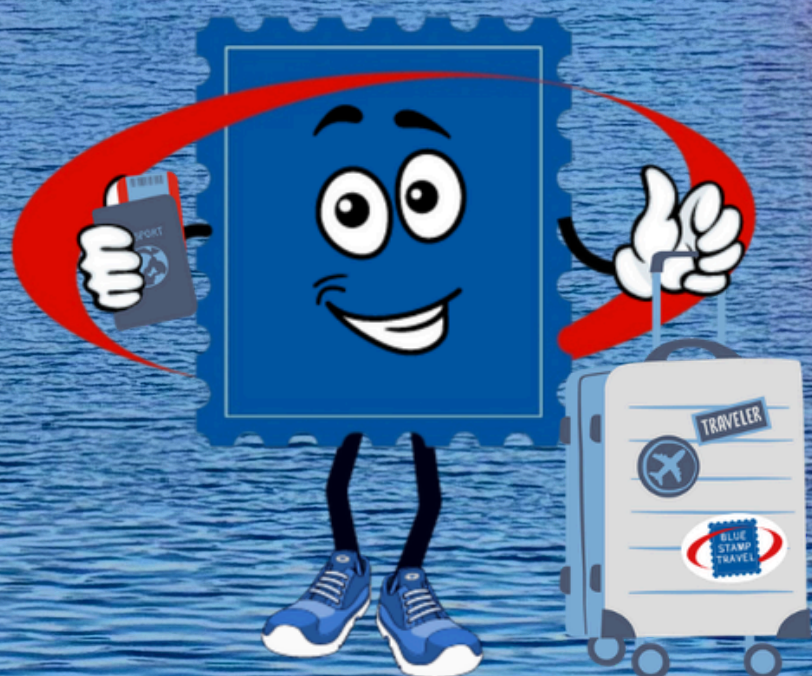

Hotel H2 Munich Olympiapark is a modern hotel designed with groups in mind. Students will share in groups of three or four. Accommodation is on a full-board basis, with packed lunches.

The hotel is a short walk from the Olympiapark and enjoys excellent public transport links to the city centre (25 mins).

MUNICH OLYMPIC PARK

Just a few minutes' walk from the hotel is the Olympic Park, which hosted the 1972 Olympics. It's one of Munich's many beautiful green spaces.

GUIDED TOUR

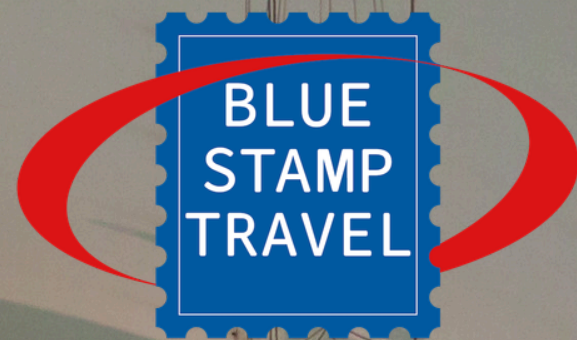

A guided tour of Munich's historic centre will include sights such as the Frauenkirche (including a footprint left by the Devil himself!), the Viktualienmarkt (for pretzels) and the gothic Town Hall. Munich was also the city where Hitler began his rise to power, and your tour will introduce you to key locations in the history of Nazism in Germany.

RESIDENZ

The Residenz Palace is the largest city palace in Germany. Parts of the complex date back to the 14th Century. The interior contains breathtaking decorations and works of art.

The *Schatzkammer* houses the magnificent crown jewels of the former royal family of Bavaria, including objects over 700 years old.

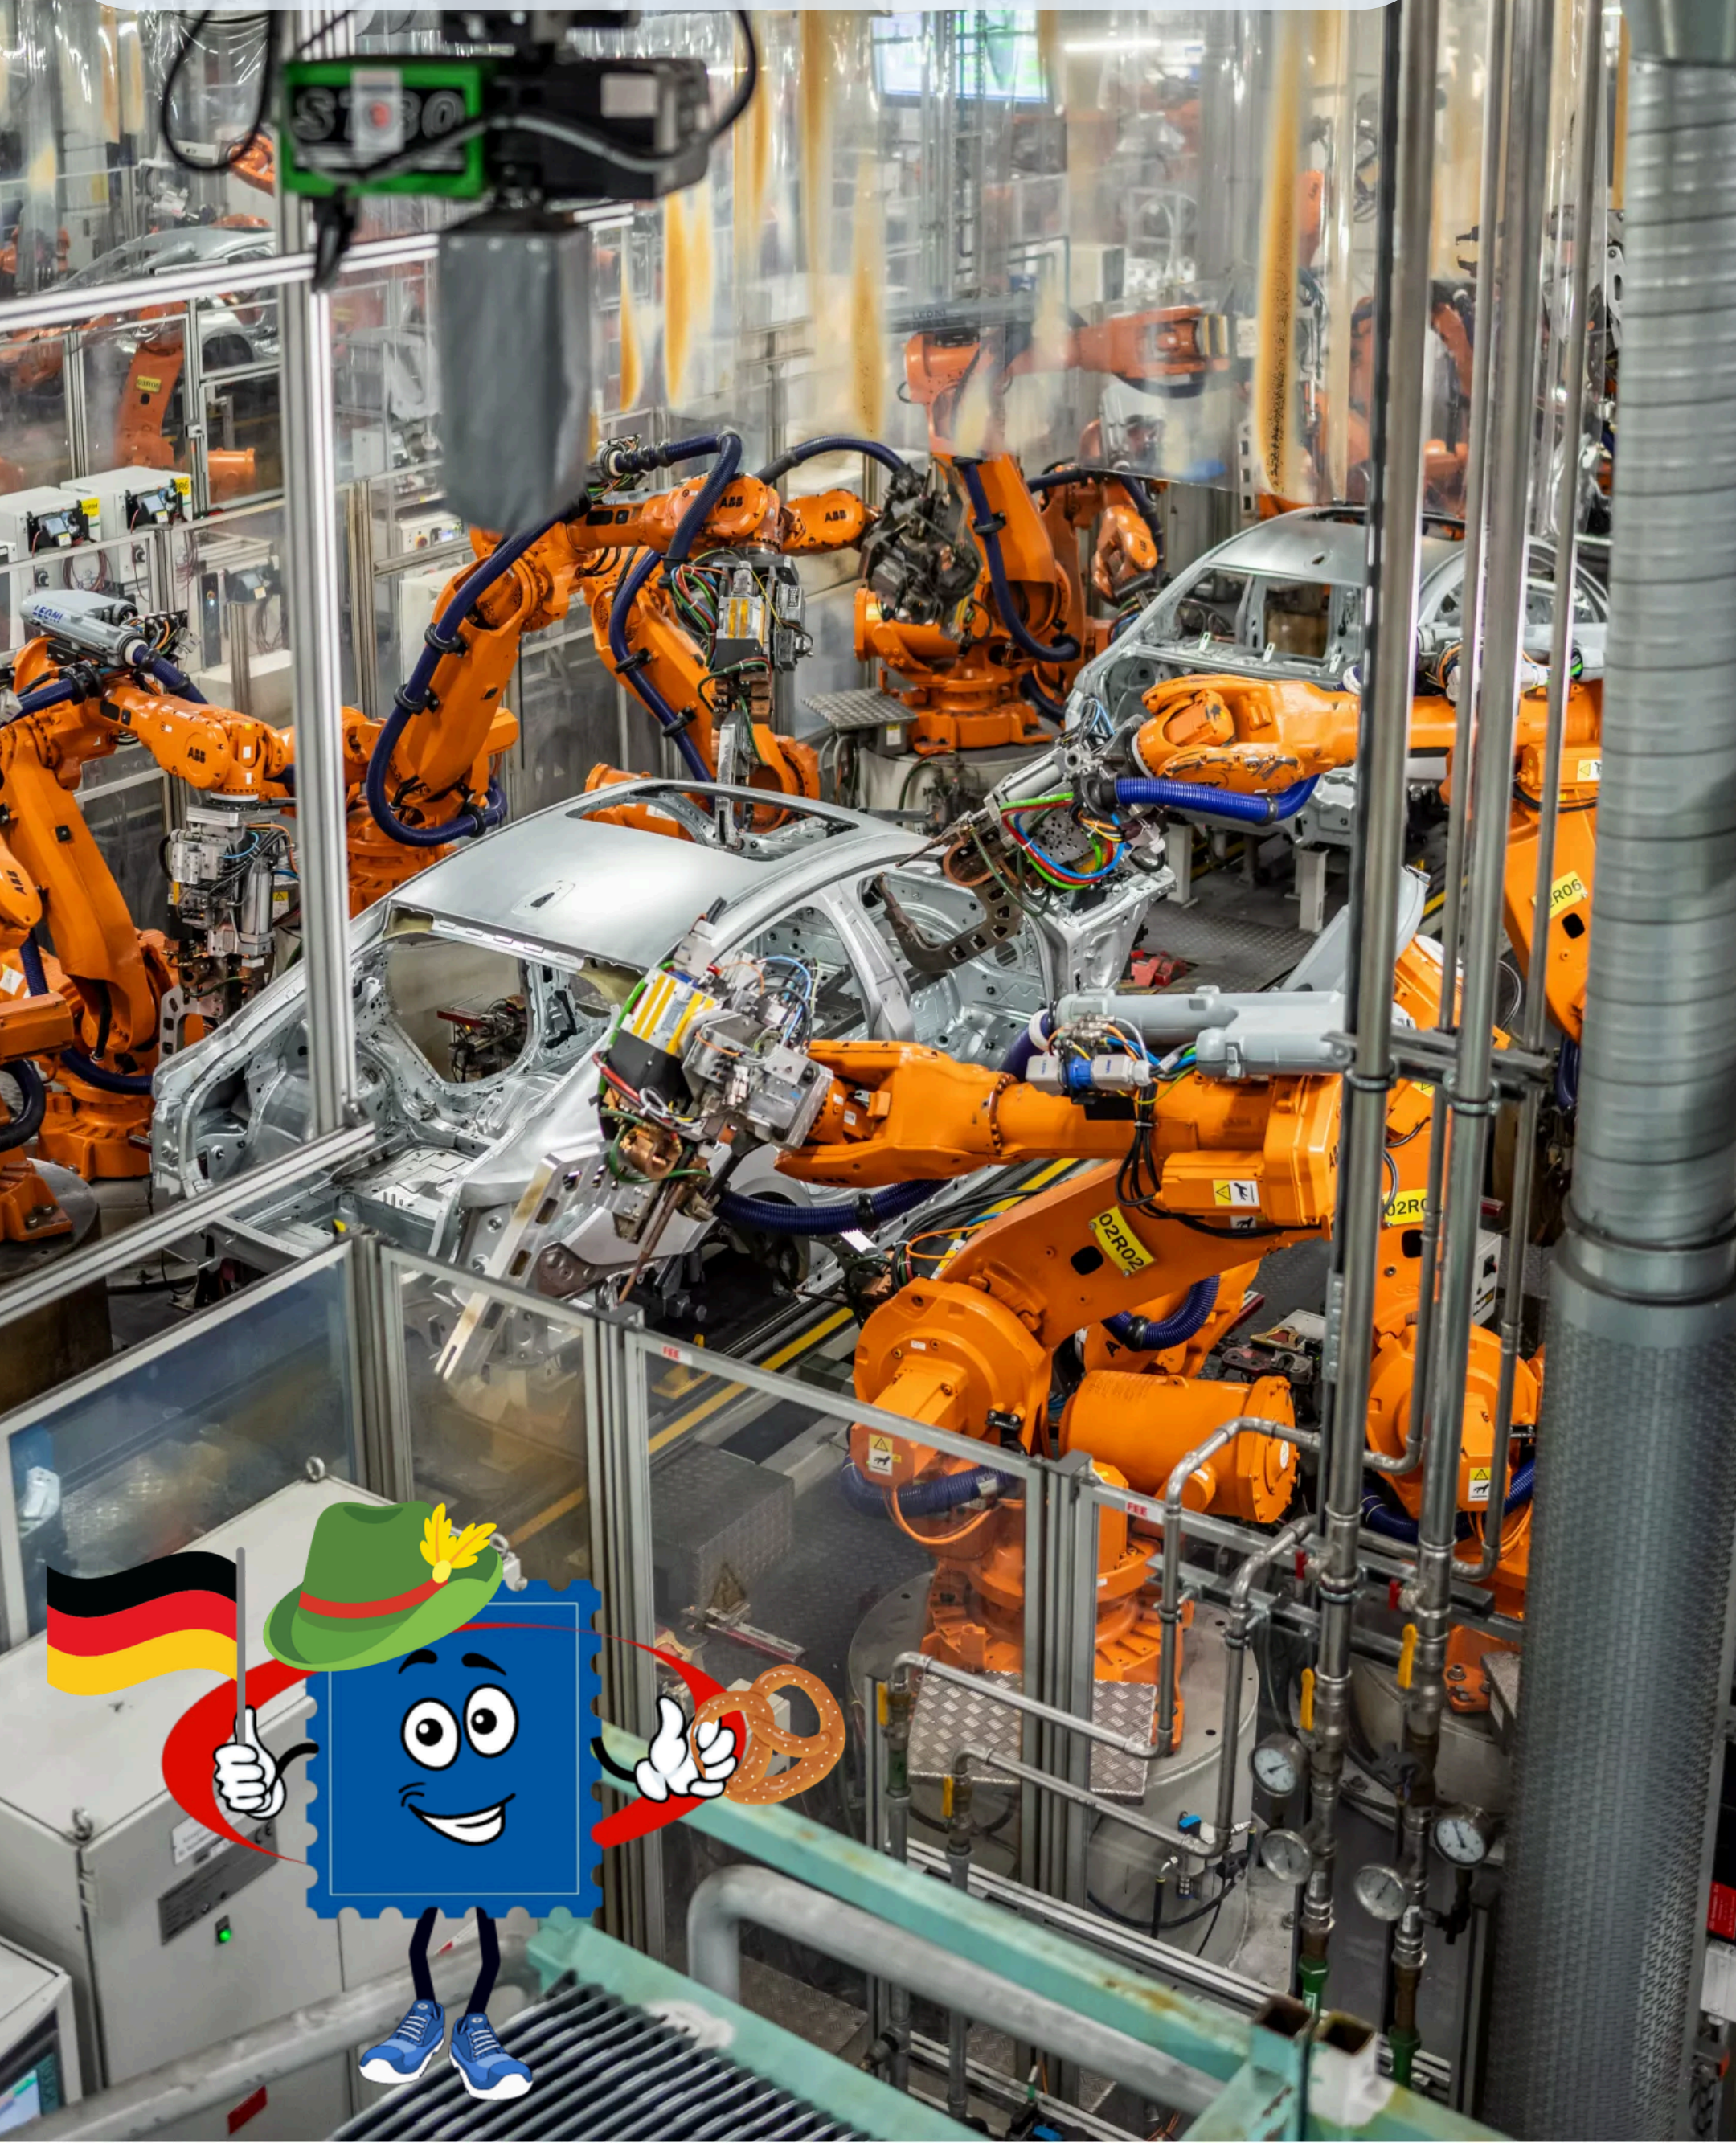

DEUTSCHES MUSEUM

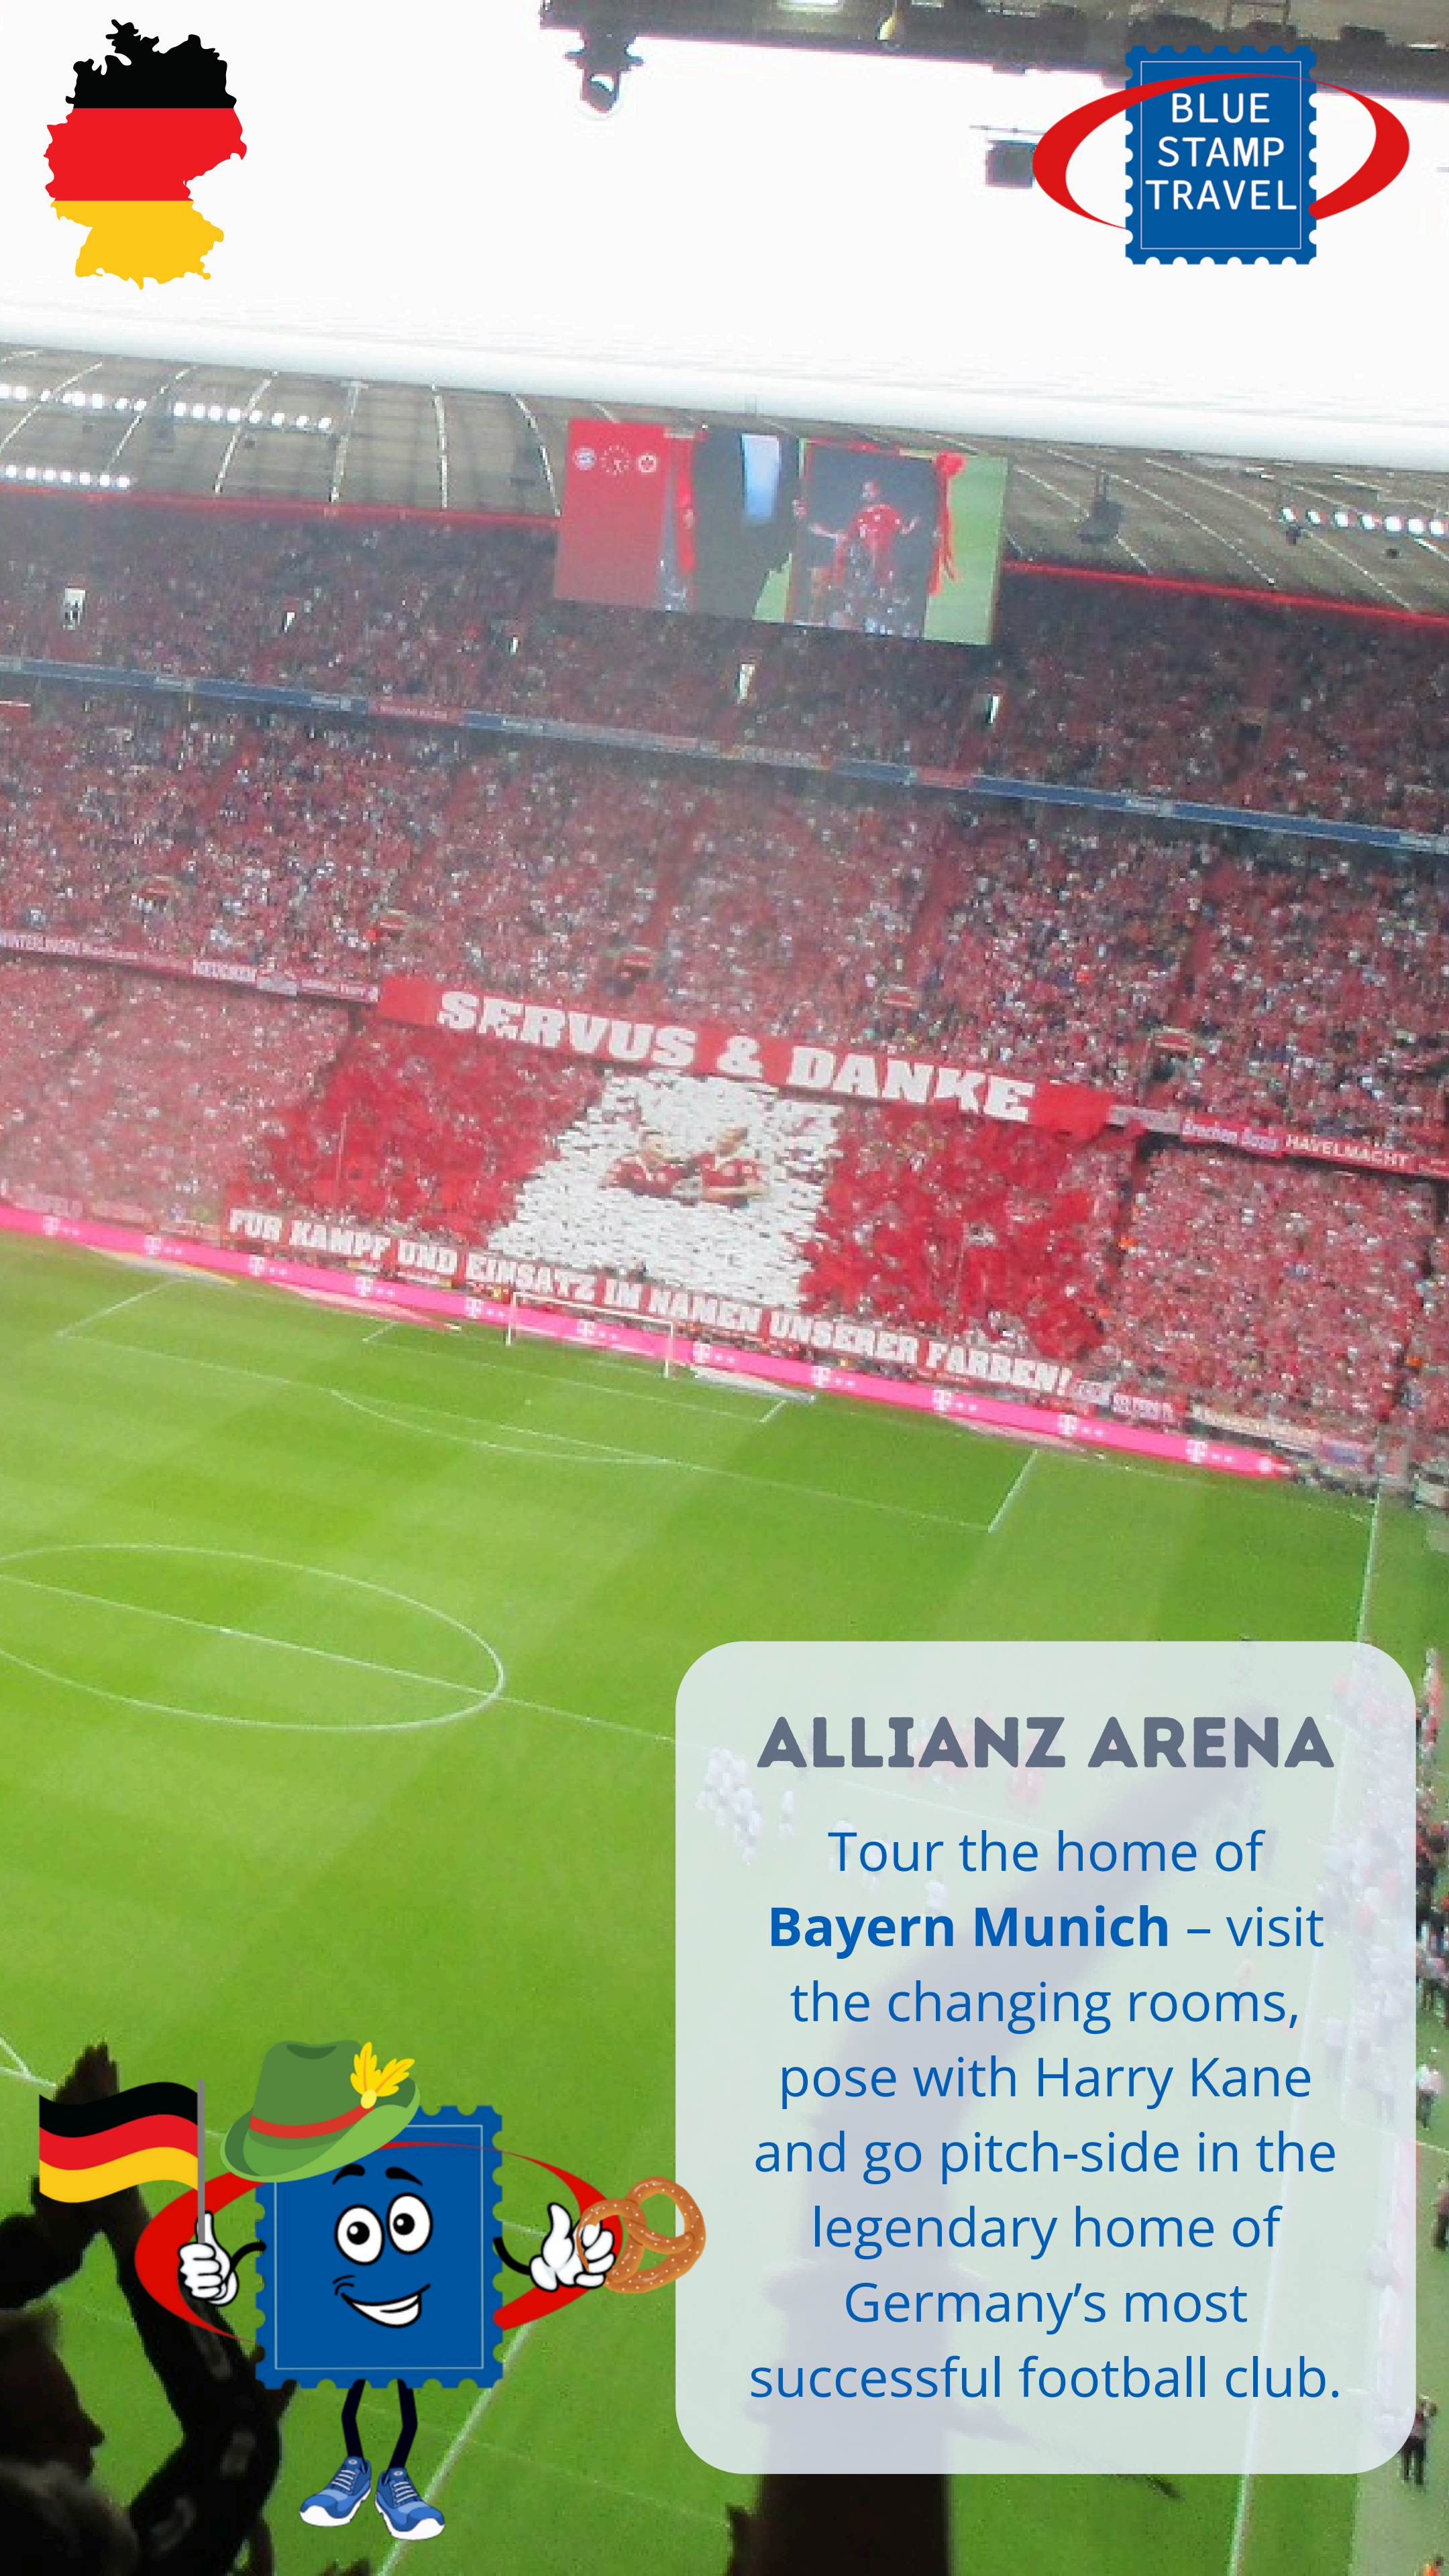

From the earliest aeroplanes to modern gadgets, the Deutsches Museum is the largest museum of science and technology in Germany. Hands-on and interactive exhibits make this an unforgettable experience.

BMW FACTORY TOUR

Discover the cutting-edge technology and processes involved in building the world's most advanced cars on a guided tour of the BMW Factory in Munich.
